Columbia Conservation District

202 S 2<sup>nd</sup> St.

Dayton, WA 99328

509-382-4273

To Whom it May Concern,

On June 13<sup>th</sup>, 2024, the board met for a Special Supervisor's meeting. During this meeting the board unanimously approved the purchase of a UTV for district staff use on projects for the amount to not exceed \$24,000. The board also approved Aneesha Dieu, District Manager, to purchase said equipment on behalf of Columbia Conservation District by June 30, 2024.

If the cost of any vehicle should need to exceed \$24,000, the board would need sufficient reasoning and approval before making the purchase.

If there are any questions about this approval, calls can be taken by Charlie Mead, Board Supervisor of Columbia Conservation District, at 509-386-7129.

Thank you,

Charlie Mead

Columbia Conservation District

Board Supervisor
